SUBJECT: Agenda for Your Second Meeting with the Streamly Team

Hi Daniyal! This email is being sent on behalf of the Streamly Development Team to remind you of your meeting with us at 4:00 PM on 20th March 2026 (today). Here is a brief overview of what to expect today during our discussion:

1. Our programmers will first discuss which user stories have been completed in iteration 1 (summary), with a user demo included.
2. We will then discuss which features are being worked on and which features have been completed in iteration 2. This will include some challenges we've encountered.
3. We'll also go over some UML diagrams so that you can get a more technical understanding of our application.
4. We'd love your input and any suggestions or concerns you may have so please feel free to bring them in discussion.

Feel free to reply to this email, if you have any questions.

Best regards,
Streamly Development Team
